This matter comes before the Public Service Commission of South Carolina (Commission) on the request of CMC Steel South Carolina (CMC or the Company) to withdraw the Company's intervention in the current proceeding regarding the application of South Carolina Electric & Gas Company for approval of adjustments and increases in its electric rates.

By petition filed July 23, 2007, CMC intervened and was made a party to this proceeding. Now CMC, by letter from the Company's counsel filed October 11, 2007, requests that the Company's intervention be withdrawn.

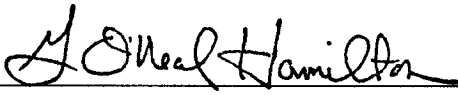

Upon consideration of CMC's request, the Commission finds that the request of CMC to withdraw as an intervenor should be granted.

2. This Order shall remain in full force and effect until further Order of the Commission.
